SUBJECT: FY 2009-2012 Statewide Transportation Improvement Program (STIP) Amendment # 14, to add project to fiscal year 2009.

Dear Mr. Hartman and Mr. Krochalis:

On May 21, 2009, the Idaho Transportation Board approved the addition of **KN 11966, Wyoming Ave to SH-53**, for \$332,500 to purchase Right-of-Way, to FY 2009 of the approved STIP. This project will finish right-of-way acquisition on a project that was moved to the Horizon program. Local and federal FY 09 Discretionary Earmark funds in the amount of \$330,000 are currently available to fund this advancement.

The Idaho Transportation Department certifies that the above project action was in accordance with all applicable requirements as described in Section 450.218 of the Statewide Planning Regulations, dated February 14, 2007. The STIP continues to be consistent with the Statewide Transportation Plan as approved by the Idaho Transportation Board in July 2004 and remains fiscally constrained.

Sincerely,

A handwritten signature in dark ink, appearing to read 'ME Moore M.A.', is written above the printed name.
